Craft A Unique Celebration

Art Workshops

Celebrate your child's birthday with an art workshop at the Danforth Museum of Art! You and your guests will enjoy a creative art workshop followed by a private half-hour birthday celebration.

Fun for all ages, parties are most popular for children turning 5 to 12 years old. We can accommodate up to 25 children per party. Choose an exciting activity from our list or develop a workshop around your child's special interests. Reserve your date early!

Parents are welcome to serve cake and drinks during the celebration time, and to decorate their party room. Birthday party invitations with museum directions are available.

Please call (508) 620-0937 to reserve your party date. For additional party information, visit www.danforthmuseum.org/birthday.html.

Each guest goes home with his or her own hand-made piece of art! You may choose one of the workshops below, or work with staff to create a custom workshop. There is a materials fee for clay and T-shirt workshops.
